Re: DT 07-073, Verizon New Hampshire
Special Contract with MPS Group, Inc. for ISDN-PRI Service

Dear Mr. Nestor:

On June 13, 2007, Verizon New Hampshire (Verizon) filed a special contract to provide MPS Group, Inc. with ISDN-PRI service for a period of 24 months. In support of the filing, Verizon submitted records and information, including contract terms and conditions, for which it requested confidential treatment pursuant to RSA 378:43.

Staff has reviewed the documentation filed in support of the special contract and recommended that it be allowed to go into effect. According to Staff, the contract rate meets the price floor requirements of RSA 378:18-b, II.

For administrative efficiency, the Commission will not issue an order suspending, rejecting, or approving the proposed special contract. Accordingly, pursuant to RSA 378:18-b, II(a), the proposed contract between Verizon and MPS Group, Inc. is effective as of July 12, 2007.

Sincerely,

Debra A. Howland
Executive Director
